DOCKET NO. 2011-67-C - Bernard Jones, Complainant/Petitioner v. Jacobs-Rabons Communications, LLC, and Fiber One Consulting, LLC, Defendants/Respondents - Discuss these Matters with the Commission.

COMMISSION ACTION:

As background, ORS filed a petition involving Jacobs-Rabons Communications, LLC in Docket No. 2010-351-C for an Order requiring certification of that Company as a telephone utility. That Docket remains open until the Jacobs-Rabons telecommunications system is taken over by Time Warner Cable. In the meantime, we have received four complaints from residents in the subdivision where Jacobs-Rabons Communications serves. The complaints allege that the home owners association is improperly charging a "Technology Fee" and that those charges raise issues related to the certification issue in the original Jacobs-Rabons Docket. I move that we consolidate these four complaints for hearing purposes; appoint Josh Minges as the Hearing Examiner to hear the consolidated cases; and grant Mr. Minges the authority to decide if future complaints related to the same subject matter should also be included in this consolidation. In addition, I move that we hold all filing and hearing dates in abeyance until further notice.
